**Who We Are**

**Special Constables**

McMaster Security Officers are sworn Special Constables - appointed under the authority of the Ontario Police Services Act.

Their appointments give them the **Powers of a Peace Officer** and enable them to enforce the Criminal Code of Canada, Federal and Provincial statutes and Municipal by-laws on the University Campus.

**Protection & Enforcement**

Our primary responsibility is the protection of persons and property within the McMaster community. The goal is completed through prevention programs, law enforcement, and safety audits to achieve a secure environment. It is only through the collective efforts of the community and Security Services that this mission will be accomplished.
